

# **Christmas on the Bay**

*Music by Stephanie LaMotte / Words by Richard & Stephanie LaMotte*

## **CHORUS:**

**Come away, Come away,  
Come away to Christmas on the Bay.  
Come away, Come away,  
For it's Christmas.....on the Bay!**

## **Verse 1:**

Frosty morn, icy shore,  
the tides escape once more,  
chasing the dawn.  
Herons glide, eagles soar,  
the waters roar, then all is calm.  
Walk with me, draped in snow,  
our faces all aglow,  
laughing in song.  
Christmas joy fills the air;  
Cast off your cares, and sing along!

## **CHORUS:**

**Come away, Come away,  
Come away to Christmas on the Bay.  
Come away, Come away,  
For it's Christmas.....on the Bay!**

## **Verse 2:**

Geese descend with the sun,  
another day is done,  
time to reflect.  
Moonlight shines on the trees  
and with the breeze  
stars twinkle back.  
Red and green buoys sway,  
a tugboat holiday,  
light guides them through.  
Grab a mug by the fire;  
All I desire is here with you!

**CHORUS:**

***Come away, Come away,***

***Come away to Christmas on the Bay.***

***Come away, Come away,***

***For it's Christmas.....on the Bay!***
